

Dear Friends and Neighbors,

On Sunday, July 30th, 2017, the Sacramento River Delta town of Courtland will host the 45th Annual Pear Fair, the oldest agricultural fair in California and the largest event in the Sacramento Delta. The Pear Fair is a non-profit family event that draws over 5,000 people from the community and throughout the area. We offer a variety of pear themed-displays, historical area, arts & crafts, live music, children's events, fun run, and an array of food booths featuring our local pears and produce.

We are very fortunate to have the support of local businesses and community members who donate to the Pear Fair each year. By doing so, you are supporting the community in more ways than you know. Our local non-profits sell food or craft items that generate over \$50,000 to benefit our local athletic programs, scholarships, fire association, library, schools, and the list goes on...

The fair is such an integral part of our community and your donation is very important to continue this tradition. As we have in the past we will display your personal or company name, prominently in our printed and electronic advertisements. Additionally, we will prepare a dinner for you and your family on Saturday, July 29th under the "big" tent, while you will have a chance to meet the Pear Fair Queens and get a sneak peak at the Pear Fair schedule of events and activities.

Again, we cannot thank you enough for your generous donation and we promise to do our part to make this years' Pear Fair more special than the last.

Sincerely,

The Pear Fair "Core" Volunteers
