

Dear Friends and Neighbors,

Due to the COVID-19 Pandemic, we were forced to cancel our 2020 & 2021 fairs. We are pleased to announce that we will be bringing the Pear Fair back in July 2022!

On Sunday, July 31st, 2022, the Sacramento River Delta town of Courtland will host the 50th Anniversary Pear Fair, the oldest agricultural fair in California and the largest event in the Sacramento Delta.

The Pear Fair is a non-profit family event that draws over 5,000 people from the community and throughout the area. We offer a variety of pear themed displays, historical area displays, arts & crafts, live music, children's events, and an array of foods & beverages that feature our local pears and produce. We also are home to one of the last MILE runs in the region – a 1/2 mile run through town for the kids and 5 & 10 Mile Country Runs.

We are very fortunate to have the support of local businesses and community members who donate to the Pear Fair each year. By doing so, you are supporting the community in more ways than you know. Our local non-profits sell food or craft items that generate over \$50,000 to benefit our local athletic programs, scholarships, fire association, library, schools, and the list goes on...

The fair is such an integral part of our community and your donation is very important to continue this tradition. As we have in the past, we will display your personal or company name, in our printed and electronic advertisements. Additionally, we will prepare a dinner for you and your family on Saturday, July 30th under the "big" tent. Here, we will introduce you to the Royal Court Applicants, the Milo Wetzel Scholarship Recipient, Event Volunteers, and you will also get a sneak peek at the Pear Fair schedule of events and activities.

Again, we cannot thank you enough for your generous donation and we promise to do our part to make the return of Pear Fair more special than ever before!

Sincerely,

The Pear Fair "Core" Volunteers
